

25% solids solvent-based cure & seal (ASTM C1315 Class A compliant)

A VOC compliant acrylic non-yellowing polymer engineered to cure, seal, harden, and dustproof freshly placed concrete and improve the wearability and durability of aged concrete surfaces.

✓ Benefits

- Easier to clean and maintain
- Maximum color stability
- High gloss finish
- Cleans and brightens floors
- Can be recoated at any time without stripping the prior application
- Cures, seals, hardens and dustproofs in one easy application
- Improves concrete's resistance against deicing salts
- Stable under exposure to UV light

Usage

- Exterior or interior concrete surfaces
- Parking decks
- Walls and columns
- Dry shake hardened floors
- Sidewalks, driveways

Standards

- Meets ASTM C1315 Class A Type 1 and ASTM C309, Type 1, Classes A&B.
- CURE & SEAL 25 UV meets VOC emission requirements for curing and sealing compounds (EPA limit < 700 g/L).
- USDA Accepted for Indirect Food Contact

Packaging

- 5 gallon pail (18.93 liters)
- 55 gallon drum (208.2 liters)
