

ALL SHIELD EX

Oil/Stain Resistant Penetrating Concrete Protectant

All Shield EX is an exempt solvent, low VOC, synthetic-modified, silane-siloxane concrete protectant. This clear, penetrating, breathable protectant is designed for use on interior/exterior, horizontal/vertical concrete, natural or synthetic stone surfaces to resist oil, water, food stains, and many other liquid contaminants.

✓ Benefits

- Excellent oil, water and stain repellent for interior/ exterior surfaces subjected to motor oil, de-icing salts and other damaging contaminants.
- Low VOC (< 100 gm/l) formula; SCAQMD, OTC, LADCO, compliant
- Reduces water penetration minimizing the effects of freeze-thaw and weathering on concrete structures
- Long-lasting protection for new as well as old concrete and stone surfaces
- Dries quickly, tack-free and skid-resistant
- Colorless and non-yellowing
- USDA accepted for indirect food contact
- Fast drying and can be recoated

Usage

- Interior and exterior concrete
- Natural or synthetic stone
- Commercial and industrial floors
- Driveways, parking structures, bridges, marine platforms, and more

Standards

- USDA accepted
- Low VOC (< 100 gm/l) formula; SCAQMD, OTC, LADCO, compliant

Packaging

- 55 gallon drums (208.2 liters)
- 5 gallon pails (18 liters)
- 1 gallon (6 cans to a case) (3.8 liters)
