Dear Keith Fleming:

We are pleased to inform you that your product is accepted for use on New York State Department of Transportation projects. It will appear in the Approved List as follows:

MEMBRANE CURING COMPOUNDS (711-05)

B. CLEAR WITH FUGITIVE DYE

BRAND NAME	SUPPLIER/LOCATION
CureShield EX	SpecChem Kansas City, MO 64108

This addition will appear in the Approved List available on the Department's website at www.dot.ny.gov under NYSDOT A-Z and Approved List. Until this change appears on the list, a copy of this letter will serve as evidence of acceptability of your product. We recommend that you include a copy of this letter with shipments to indicate your status on the Approved List.

If there are any changes in the manufacturing, performance characteristics, formulation, or location of supplier of this product, you must inform the Materials Bureau immediately for action on continued acceptability.

We also wish to inform you that this letter shall in no way be used for promotional purposes such as a copy of this letter in any form used as advertisement in any sales literature or trade magazines.

If there are any questions, contact Mr. Daniel Orapello of the Materials Bureau at (518) 408-0732.

Sincerely,

Jonathan Kunin
