TECHNICAL DATA SHEET

SURFACE GRIP

Slip-Resistant Additive

DESCRIPTION

Surface Grip is a finely ground, slip-resistant polymer additive designed specifically to improve the slip resistance of film-forming sealers. Surface Grip can be added to all SpecChem and most other manufacturers' water- and solvent-based film-forming sealers. It is ideal for surfaces where water or moisture can accumulate, such as pool decks, garage floors, driveways, patios, walkways and other smooth surfaces.

BENEFITS

- Improves slip resistance and texture of film-forming sealers
- Improves abrasion resistance
- May be used for exterior or interior applications
- Allows sprayer, roller and brush application
- Can also act as a "flattening" additive to create a matte finish

APPLICATION

Surface Grip is compatible with SpecChem Cure & Seals, Surface Shine, DecoShine Plus, AquaShine and Crystal Shine. A small test area is recommended to verify compatibility with other manufacturers' film-forming sealers. Prepare the substrate and apply the sealer according to the manufacturer's written instructions.

Slowly stir while adding Surface Grip to the sealer. Mix until Surface Grip has completely wetted out and is evenly distributed throughout the container. Mix thoroughly and often before and during application. Spray application is recommended, but smaller areas may be brushed. Do not re-roll wet areas.

COVERAGE

- Add 3 oz to a 1-gallon container of sealer.
- Add 15 oz to a 5-gallon container of sealer.
- Do not exceed 6 oz per gallon of sealer.

PACKAGING

3-oz bottle (24 per case)

15-oz bottle (12 per case)

SHELF LIFE

When stored in the original, tightly closed container, the shelf life is two years from the date of manufacture.

LIMITATIONS

Surface Grip is non-hazardous and does not contain silica, but precautions should be taken to prevent inhalation. Additional precautions, safety information and first aid are contained in the Safety Data Sheet (SDS).

WARRANTY

NOTICE – READ CAREFULLY

CONDITIONS OF SALE

SpecChem offers this product for sale subject to and limited by the warranty which may only be varied by written agreement of a duly authorized corporate officer of SpecChem. No other representative of or for SpecChem is authorized to grant any warranty or to waive limitation of liability set forth below.

WARRANTY LIMITATION

SpecChem warrants this product to be free of manufacturing defects. If the product when purchased was defective and was within use period indicated on

container or carton, when used, SpecChem will replace the defective product with new product without charge to the purchaser. SpecChem makes no other warranty, either expressed or implied, concerning this product. There is no warranty of merchantability. NO CLAIM OF ANY KIND SHALL BE GREATER THAN THE PURCHASE PRICE OF THE PRODUCT IN RESPECT OF WHICH DAMAGES ARE CLAIMED.

INHERENT RISK

Purchaser assumes all risk associated with the use or application of the product.
